HARDEEVILLE PRT HAPPENINGS

Official Newsletter of the Hardeeville Parks, Recreation,
and Tourism Department

Anything is paw-sible!

Let's raise the woof! Bark in the Park is just around the Corner!!

You can't teach an old dog new tricks but you can always let them show you the ones they know!

Hardeeville PRT will be hosting the annual Hardeeville Bark in the Park on Saturday, June 4th from 10AM-12Noon at the Dog Park. The goal of this event is to encourage our residents to use our dog park and also meet with vendors catered toward your K9 friends. There will be an array of vendors all for your furry pals.

This event is free. Make sure to bring plenty of sunscreen and bug spray. We cannot wait to see you and your furry loved ones. If you are interested in volunteering or donating for this event, please email us at recre8@hardeevillesc.gov

PARKS, RECREATION & TOURISM

Got Rec? Get Rec!

Check out some of the amazing activities happening at the Hardeeville Recreation Center.

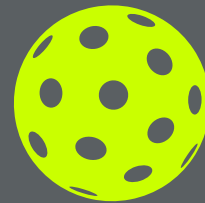

There is so much going at the Hardeeville Recreation Center and we want to make sure that you do not miss out on any of the recreation fun! Make sure to purchase a Hardeeville Recreation Center t-shirts. Rep your Rec! These super soft blue t-shirts showcase the beautiful and recognizable outline of the Recreation Center. T-shirts are \$15 each and available for purchase at the Recreation Center front desk.

Zumba classes are open to all adults 18 years and older. Classes take place on Wednesdays from 9:30 AM to 10:30 AM. All experience levels are welcomed.

Zumba Gold is all of the fun of Zumba but modified to accommodate adults 50 years and older. Classes are held on Tuesday from 10:00 AM - 11:00 AM and costs \$7.

Classes are held at the Hardeeville Recreation Center: 285 John Smith Road, Hardeeville, SC 2997. To register or learn more, please visit the Hardeeville PRT RecDesk

MEET OUR NEW INTERN

Robert "Rjay" Young

Sometimes you have to look right in front of you to find what you are looking for.

The Hardeeville Parks, Recreations, and tourism department would like to introduce our new summer Intern Mr. Robert " Rjay" Young. Rjay is a native of the Jasper County area and will be a sophomore this upcoming fall at North Carolina Agricultural and Technical State University. At NC A&T ,Rjay studies kinesiology with a concentration in exercise science and a minor in recreational Management. His hope after college is to become a physical therapist and prosthetist and own his his own rehab recreation center where he will be able to make the prosthetics and give physical therapy all in the same facility, We are so happy to have RJ with us and are excited to see what he brings to the team and department!

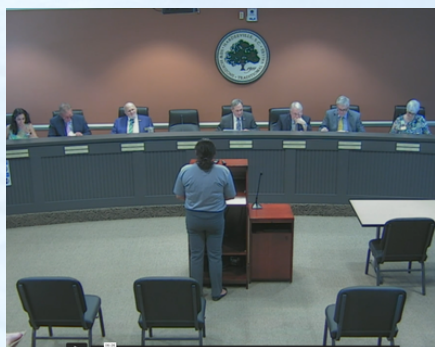

Highlights from May

The Hardeeville Parks, Recreation, and Tourism Department gave May a run for its money with all the events planned. May started off strong with National Tourism Week. National Tourism Week is held annually the first week of May. Hardeeville PRT set up a booth and greeted visitors to the South Carolina Welcome Center located in Hardeeville (the busiest in all of SC!) We were able to greet incoming tourists and tell them about all the great things our beautiful City of Hardeeville has to offer.

Next we headed over to the May 19th Council meeting where Imelda Golden, our Programs and Events Manager asked the Mayor of Hardeeville and Council to Proclaim May 21st as National Kids to Parks Day in the City of Hardeeville. This a great day for kids to connect with their parks, get outside, disconnect form technology and build a bond with nature. It was a perfect description of our annual fishing rodeo!

Lastly, The PRT team was off the hook and hosted their annual Fishing Rodeo. For this event we had about 1,000 pounds of catfish delivered to the pond. This year fishing Rodeo was one of the largest we've ever had, we had over 100 children participate and were able to give away many prizes to our youth and there was nothing but smiles all around. We will like to also give a special thanks to the Hardeeville Police Department, Hardeeville Municipal Court, Hardeeville Fire Department, Hardeeville Marine Rescue Squadron and the many other volunteers for all their assistance in the event as well.

May might have seemed like a light month activity wise, but this was a peak into what we have planned for the upcoming month of June. So hold on to your seat because we are about to blast off and kick off a summer full of fun.

Join the PRT Team Recreation Center Guest Specialist

The City of Hardeeville Parks, Recreation and Tourism Department is seeking to fulfill one part-time position as Recreation Center Guest Specialist. Responsibilities include assisting in operational support for the new state-of-the-art Hardeeville Recreation Center through a variety of specialized tasks including, but not limited to, processing memberships, rental reservations, supervision of guests in the facility, assisting with the setup and tear down of equipment, ensuring a clean, healthy environment for all guests, and processing financial transactions. Candidate must possess the ability to assist with the implementation and supervision of varied recreational programs and activities in a fast-paced environment including the ability to work independently.

See job description found at www.hardeevillesc.gov. Pay starts at \$12 hourly.

Application can be found on the City's website under Business. Please attach a cover letter, resume with references and email to HR offices at lpomarico@hardeevillesc.gov or by mail to:

Lori Pomarico (HR Services) City of Hardeeville
205 Main Street, PO Box 609
Hardeeville SC 29927

Position open until it is filled.

All applicants considered for employment must submit to a background check and urinalysis screening for illegal drug use prior to offer of employment. The City of Hardeeville is an EOE and E-Verify user.

Meet our Workout Machines

When going to the gym do you hop on the first machine that you see or do you choose a machine based on the work out that you want to receive? There are many different benefits our fitness center machines can do for you! Try out the Stair Master and Cable triceps bar.

The stair master is a machine that looks similar to an escalator and has stairs on it.

There are many benefits that the Stairmaster holds that many don't truly know about. For example many people know that it can help improve your cardiovascular health because you are constantly moving at a consistent rate. But did you know it had the ability to help improve mental health and your metabolism. The Stairmaster helps with your metabolisms because cardio activity leads to an increase of the rate of your resting metabolism causing you to burn more fat and calories. The mental Health benefit comes when from doing aerobic exercises, which can lead to the increase of endorphins within your body. This increase can lead to the decrease of depression and anxiety within ones mental health.

Next we have the Cable Triceps Bar, this machine looks similar to a rope forming a n- shape that you can pull down on. This machine has many benefits as well, some include the ability's to strengthen triceps and can lead to an increase in the number of push-ups one can do. It can also help with hand strength and increase your grip as well.

Both of these machines can be found within the Fitness Center at the Hardeeville Recreation Center so come on down and get you fit. #Letsrecre8
